

# All roads lead to Waterfall

-  Major Arterial Highways
-  Current Gautrain Routes
-  Future Gautrain Routes
-  Airports

**Located approximately 10 kilometres from Sandton** between Woodmead, Sunninghill and Kyalami lies the 2,200 hectare Waterfall Estates, the largest development of its kind in Southern Africa. This sought-after property is in close proximity to both local and international airports, main arterial highways and two Gautrain stations. The Jukskei River ribbons through Waterfall Estates, creating a lush ecology.
